

Narragansett United is a regional premier youth soccer club serving players from Cumberland and York counties in south-western Maine. Our club offers teams and programs for players to train on a premier and developmental level. Our coaching staff comes from an array of backgrounds with youth, high school and college coaching experience. Our coaches are licensed by the United States Soccer Federation or certified by the National Soccer Coaches Association of America.

Narragansett United sees player development as a succession of phases with each phase becoming more finite as the players role becomes more distinct. Our objective is for players to train and compete within the parameters of a specific program. Training and competition is age appropriate with a particular focus on the player's ability with a ball and their decision making.

By signing this application I understand that neither Narragansett United, Your Space its agents or employees will assume any responsibility for accidents and medical or dental expenses incurred as a result of participation in this clinic. I understand that there are inherent risks and dangers in participating in these types of programs and I accept the responsibility to provide accident insurance for my child including ambulance transportation if necessary. Further I expressly release and hold harmless Narragansett United, Your Space, its agents and employees from and against any and all claims, suits, actions and damages arising out of, connected with, or resulting from my child's participation in the Day After Thanksgiving "Black Friday" Youth Soccer Clinic. I give permission to Narragansett United and Your Space to take pictures of or use the likeness of program participants that may appear in future promotional materials.
