**How to be a GOOD sports parent**

**Encourage your child**, regardless of his or her degree of success or level of skill.

**Ensure a balance** in your child's life, encouraging participation in multiple sports and activities while placing academics first.

**Emphasize enjoyment**, development of skills and team play as the cornerstones of your child's early sports experiences while reserving serious competition for the varsity level.

**Leave coaching to coaches** and avoid placing too much pressure on your youngster about performance

**Be realistic** about your child's future in sports, recognizing that only a select few earn a college scholarship, compete in the Olympics or sign a professional contract.

**Be there** when your child looks to the sidelines for a positive role model.
